

RESOLUTION 92-21

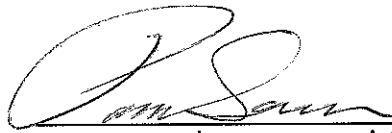

A RESOLUTION URGING SUPPORT FOR THE CABLE BILL

- WHEREAS, cable operators have used their lack of competition to amass excess profits of six billion dollars (\$6,000,000,000.00) per year at the expense of cable subscribers; and,

- WHEREAS, cable operators have not been responsive to consumer demands for better service; and,
- WHEREAS, the cable bill currently being considered by Congress will protect consumers from unwarranted price increases, provide better customer service, improve technical standards, and include other provisions beneficial to cable subscribers; and,
- WHEREAS, the cable TV industry has spent millions of dollars on misleading television and print ads to defeat the bill.
